

WOMBWELL'S MENAGERIE,

NEVER BEFORE EXHIBITED IN THIS TOWN,

And to be SEEN during the FAIR at BOUGHTON GREEN:

INDISPUTABLY the most rich, grand, and complete COLLECTION of rare and beautiful LIVING ANIMALS that was ever known to travel through any Part of the World, is now offered for the Inspection of Amateurs, Connoisseurs, and the Public, which affords an Opportunity of viewing, at one Glance, EVERY KIND of EXTRAORDINARY, RARE, and VALUABLE QUADRUPED and BIRD that ever crossed the Ocean, such as have always been considered leading Objects of Exhibition, exclusive of several Animals entirely new to this Country.—That rare and wonderful Animal,

The ONE HORNED RHINOCEROS, or real UNICORN of SCRIPTURE,

One of the most formidable Animals of Nature.

The RHINOCEROS is covered with a complete Coat of Mail or Armour, proof to musket Shot, and will turn the Edge of a Sabre. This monstrous Creature will impress the Minds of the rising Generation with a supreme Idea of the Deity: it is the most wonderful of his Works. It was purchased by the Proprietor for the enormous Sum of 800 Guineas, being the only Animal of the Kind in Europe.

That beautiful Animal the ALPACCA, or PERUVIAN CAMEL;

And that very singular Animal, the RIVER COW, Which Animal has frequently been taken for the Hippopotamus.

The Proprietor further acquaints his Friends and the Public, that his great Lioness whelped on the 21st of January last, in Liverpool, and produced a Pair of fine Cubs; the Collection now consists of

NINE LIONS,

And by far superior to any of the Kind ever before offered for the Inspection of the Public.

A fine stupendous MALE ELEPHANT,

With fine Ivory Tusks, the only one travelling;

STRIPED and SPOTTED HYENAS,—BENGAL STRIPED TYGER,—beautiful LEOPARD and LEOPARDESS,—PORCUPINE,—JACKALL,—RACOONS,—COATIMONDIS or ANT EATERS, KANGAROO, ANTELOPES,

With a great Variety of other ANIMALS and BIRDS too numerous to mention.

The Proprietor of this Menagerie has been regardless of Expense in collecting together every Thing grand and curious in the Animal Creation; and as this is the first Time of his exhibiting in this Town, he confidently relies upon a generous Public for Support and Encouragement.—Admittance, ONE SHILLING.
