SHS That the grand and surprizing Collection of WILD BEASTS, that has been so much talked of, and has been in most publick News Papers in England. is come to Town, and to be seen at George Ramsay's Stabler at the Black Horse, Canongate.

1st, The noble Female RHINOCEROS, or real UNICORN: A Work of Nature not to be parallel'd, being upwards of Seventy hundred Weight, taken by the famous Kouli Kan from the Great Mogal, all in a Coat of Mail or Armour.

2^d, The grand and surprizing BUFFELO, from Arabia; being the handsomest and most surprizing Beast that ever was seen, having Haunches finer than any Horse whatsoever, has a Hump like a Camel, and a Tail like a Lion.

3^d, The young MANTYGER, or MOUNTAIN MONSTER, having a blue Face, corded like a Pair of Stays, and very surprizing.

4th, The ravenous WOLF, from Russia, whole Troops of which sometimes come and destroy Villages.

And an APE, that shews several Tricks.

With many more too tedious to name, and allowed to be the grandest Collection in Europe.
