Among the most conspicuous features of this interesting exhibition is the

RHINOCEROS, or Unicorn of Holy Writ—the only one in America since 1836.

The great difficulty of capturing this huge and savage creature, together with the almost impossibility of keeping him alive in a climate so uncongenial to his habits and constitution, renders the exhibition of a **LIVING RHINOCEROS** in the United States, the greatest curiosity in the Animal Kingdom.

Foremost in interest, novelty and attraction, are the bold and original performances of

HERR DRIESBACH,

the Emperor of the Lions, in the dens of Wild Beasts. His performances differ from all others, not only in the skill and grace which he displays in his exercises with the terrific group of **Lions, Tigers, Leopards, Cougars, Panthers, &c.**, but in the matchless and almost superhuman command with which he exacts the obedience of these fiercest and most remorseless tenants of the desert, the forest and the jungle. Herr Driesbach may have many imitators, but **HE HAS NO EQUAL**—he is himself alone.

The list embraces all the finest Living Specimens of **WILD ANIMALS** that the great experience, enterprise, and resources of the proprietors have enabled them to bring together in one Large and Splendid Collection. A full description of the Animals contained in the exhibition, will be found in Pamphlets and Bills at the principal Hotels, previous to the arrival of the company.

The whole cavalcade of carriages, containing the various animals, &c., and drawn by 100 Grey Horses, will arrive in the city on Friday morning, Sept., 21st, and pass through the principal streets in procession, preceded by the New York Brass Band.
