DAN RICE'S GREAT SHOW!

GREAT because of its magnitude; Great on account of its superiority over all others, whether travelling or stationary Establishments:

GREAT for the reason that each and every act or scene introduced would, separately, in

CIRCUSES OR MENAGERIES,

be considered a feature:

GREAT in consequence of having more dancing, Trick and Performing **HORSES and MULES** than all the Circuses in the United States Combined!

GREAT as all that is novel in the Equestrian, Acrobatic and Gymnastic line is to be seen only in this, the

GREATEST OF SHOWS!

GREAT for all will admit that **DAN RICE** is the only man justly entitled **American Humorist.**

GREAT it is—greater there cannot be. But greatest of all are the

EDUCATED ANIMALS!

The tight-rope Elephant,

LALLA ROOKH!

The performing Camel,

VAN ORDEN!

And the wonder of the world, the

BLACK RHINOCEROS!

The first ever introduced out of his cage or den into an open arena: the first ever subdued by man, and with safety managed: the only living **RHINOCEROS** in Europe or America, subdued, trained and performed by **DAN RICE.**

Great, greater, greatest of all are the

COMIC MULES!

PETE AND BARNEY?

DAN'S new-trained **ASSININE WONDERS**, will appear in each performance. Their illustrious predecessors having been sold by **Mr. RICE** for five thousand dollars, and gone to Europe, they will endeavor to convince all amateur Equestrians who wish to distinguish themselves that they are worth twenty thousand dollars!

THOMAS CANHAM'S

KEYSTONE ORCHESTRA!

The reputation of the Leader, **Mr. CANHAM**, and the character of the gentlemen who compose his Orchestra, are a **SUFFICIENT GUARANTY** that they not only are worthy of the important position assigned them in this great Establishment but the public will have the pleasure of listening to the finest

BRASS AND STRING BAND

that ever traveled,
