## **BIG - GAME** MUSEUM.

Ir. C. V. A. Peel, who is well-known to Ox aved the hanter's life. He became very ill, and is a man of decided view with regard to it so affected his mind and body that he returned after a choicing. In the popular guide to his home to England almost a wreck, and had the work of the second property in the second his peet. He says: "Blegame hunting is the feet work in the world, but it is the attendant had been seen to be seen the second property to capy himself when the second his peets to capy himself when the second his property to capy himself when the second his more than the following passage." My property to capy had been to be sumed up in the following passage. "My marked of all sports." And Mr. Peel known that the second his museum and realises that the lowest passage to the second his museum and realises that the lowest passage in the second his museum and realises that the lowest passage in the second his museum and realises that the lowest passage in the second his museum and realises that the lowest passage in the second his passag
