- 583 THE SOUTH AFRICAN DIORAMA, as exhibited by the late R. GORDON CUMMING, ESQ., in London and other Cities, consisting of about 30 BEAUTIFUL AND HIGHLY FINISHED SCENES, 13 ft. 4 in. by 9 ft. 6 in., on rollers, and quite portable.

The whole will be put up in ONE LOT, and if not then sold, will be divided. It is well worthy the attention of private individuals to embellish large Staircases, Halls, or Galleries, or the bare walls of large Public Buildings. It originally cost little short of £1,000, and is now in perfect order; each one, two, or more pictures a complete history by itself, and comprise all the exploits referred to in his book.

NOTE.—The valuable Collection of British Birds' Eggs, belonging to the late R. Gordon Cumming, Esq., will be Sold on Monday, June 4th, at Half-past Twelve precisely; together with the Collection of Exotic Shells.

FINIS.

Bought for the Museum by J. W. Clark.
