RY 27.
in the Bankipore district. He died on the 21st instant from a malignant type of small-pox.

ON
The Tondoo correspondent of the *Indian Daily News* says :—The Maharajah of Cooch Behar, with his party, has arrived at the foot of the Bhootan hills. They have not yet come across elephants, which, owing to jungle fires, have gone on further north. Shooting has only been tried in outlying forests so as not to disturb the elephants.

Very conflicting reports have been received at Rangoon regarding the condition of Upper Burma.
