order and shape how they are placed: in posture, in shew, to this day admirable; but when they stood in lustre and perfection, were else-where scarce imitable. From the ordinary standing, we easily enjoyed a most delightful prospect: but in the summity or advantage a brave Horizon of thirty miles unlimited Plains every way gave it selfe to this Emperial Palace, as seeming to submit it selfe in a happy lowlinesse.

In part of this great roome (not farre from the portall) in a mirrour of polisht marble, wee noted above a dozen lynes of strange characters, very faire
