

The old Bird House has been converted into a heated bird house for the winter. Considerable necessary work was done to the building itself and two large cement pools have been installed with proper drainage.

Peking - China

At present the Peking Zoo has ten young Tigers on exhibition; they come from Khingán in Southern China and from the Changpai Mountains in South-eastern China. (O.)

Bloemfontein - South Africa

This zoo has a noteworthy collection of African Eagles; it include: 1 Bateleur; 5 Tawny Eagles; 5 Verreaux Eagles; 2 African Fish Eagles; 1 Martial Eagle; 1 Hawk Eagle; 1 Yellow-billed Kite; 2 Jackal Buzzards; 2 Cape Chanting Goshawks; 1 Secretary Bird; 3 African Barn Owls; 4 Cape Eagle Owls; 8 Spotted Eagle Owls and 5 Cape Kestrels. (C. van Ee)

Khartoum - Sudan

The Khartoum Zoo is devoted solely to the exhibition of Sudanese animals. There are about 15 species of mammals. The livestock is mainly composed of Wild Sheep, *Ammotragus lervia blainei*, several Addax, Monkeys and Zebras, and a pair of Kiang.

Khartoum Zoo is the quarantine park for White Rhinos; all White Rhinos now kept in captivity have spent some time there; at present they have none. (Pierre Brouard)
